

Insurance for Financial Institutions

As banks diversify services to gain customers and improve profitability, exposure to suits also expands. No two financial institutions are the same, so do not settle for an off the shelf solution. With access to multiple highly rated insurance carriers we can customize an insurance program to help protect the bank and the directors from these risks.

Customizable Coverage Includes:

Management and Professional Liability

- » Directors and Officers Insurance (D&O)
- » Financial Institution Bond
- » Bankers Professional Liability
- » Employment Practices Liability
- » Security and Privacy Liability (Data Breach, Cyber Liability)
- » Employed Lawyers
- » Bank Card Protector (fraudulent use of credit/debit cards)
- » Lender Placed Hazard (Force Placed and REO)

Commercial Property/Casualty Products

- » Workers' Compensation
(combined with payroll to create “Pay as you Go”)
- » Property and Liability
- » Automobile
- » Excess Liability

Group Employee Benefits Products
